NOTICE TO HUNTERS - INVASIVE SPECIES

Individuals are reminded that when they take livestock into the wilderness, they should purchase locally grown feed that is known to be invasive plant-free or use pelletized and processed feed. The spread of invasive plants is common every year and can be prevented by using local weed-free feed, pelletized and processed feed and checking and cleaning all vehicles to ensure they are weed-free before leaving home. It is suggested to ensure that livestock are fed weed-free feed 2 days prior to departure and including travel time into the wilderness. It is recommended to bring and utilize feed bags, buckets, or troughs with you while in the wilderness to minimize potential ground disturbance by feeding or salting at temporary camp sites and trail heads. For further information on this matter, please contact your local Ministry of Agriculture and Food or Ministry of Forests. Play an important role in invasive species with the **Report Invasives BC** app. For more information on the app visit: www.gov.bc.ca/ invasive-species

NOTICE TO HUNTERS!

Treaty 8 is the foundation of the relationship between Treaty 8 First Nations, the Crown, and all people present in Treaty 8 territory. Treaty 8 First Nations exercise their treaty rights to hunt, fish, and trap throughout the region and ask that hunters be respectful of others on the land base and of treaty rights, culturally sensitive areas and treaty settlement lands. You may encounter Indigenous Guardians monitoring conditions and activities on the land. Respectful dialogue with the Guardians and Treaty 8 members is welcome and encouraged

Dane nan yế dāh Kaska Land guardians are actively monitoring and patrolling in the Kaska traditional territory, interacting and sharing information with all land users in regards to promoting safe and respectful hunting. Daylu Dena Council encourages B.C. hunters to contact the Daylu Lands and Resources (located in Lower Post) office at 250-779-3161 Ext. 0 and Dease River First Nation Lands and Resources officer (located in Good Hope Lake) at 250-239-3646 prior to beginning your trip.
